A substantial bylaws amendment is in the works.

What might change if the bylaws are amended (**subject to change**, this is a draft of a draft and **nothing is final**):

- These meetings would start to be called Regular Meetings instead of General Meetings
- Changes to election timelines
- Quorum adjustments
- Formal support for remote membership meetings over platforms such as Discord and Twitch, like we've been doing
-

Whole bunch of more stuff, but it's all little details. This is all being discussed and revisions are in the works, and **may change substantially, and might not even pass**. The Objective of this amendment is to bring us in line with Oregon state law, Chapter 65, concerning nonprofit organizations.
